# 3D Artist PDF Toolkit

Free Trial · v2.3.9-trial

Thank you for trying the 3D Artist PDF Toolkit!

## GET STARTED IN 3 STEPS

1

### Unzip the file

Right-click the ZIP → 'Extract All' (Windows) or double-click (Mac).  
You will see index.html and Instruction.pdf appear.

2

### Open in your browser

Double-click index.html — it opens in Chrome, Edge, or Firefox.  
No server needed. Everything runs locally on your device.

3

### Start creating!

Click Start Trial Project on the welcome screen.  
Build a checklist or project documentation, then export a PDF.

# 3D Artist PDF Toolkit – Free Trial

License Agreement · Tools Master Hub · v2.3.9-trial

By opening or using this software you agree to the terms below. If you do not agree, do not use this trial.

## 1. EVALUATION USE

This trial is provided free of charge for personal evaluation before purchase. You may use it on your own devices to test the workflow.

## 2. WHAT YOU MAY NOT DO

- Resell, sublicense, or relicense this trial.
- Re-host or rebrand the trial on a third-party website.
- Modify and redistribute the source files.
- Bundle the trial with other paid or free software.
- Remove or alter the trial watermark by editing the source code.
- Use the trial for production or commercial client deliverables.

## 3. WATERMARKED OUTPUT

All PDFs exported by the trial include a visible watermark ("FREE TRIAL – Upgrade to Basic Tier") on every page. This watermark is part of the trial by design.

## 4. NO WARRANTY

This trial is provided "AS IS" without warranty of any kind. Tools Master Hub is not liable for data loss, business loss, or any damages arising from its use.

## 5. PRIVACY

All data is stored exclusively on your device. Nothing is uploaded, transmitted, or shared with any server or third party. Tools Master Hub has no access to your project data.

## 6. THIRD-PARTY COMPONENTS

This product includes jsPDF ([github.com/parallax/jsPDF](https://github.com/parallax/jsPDF)) used under its MIT license.

## 7. UPGRADE TO BASIC TIER

Purchase the Basic Tier on Gumroad to unlock unlimited projects, unlimited tasks, clean PDF exports without watermark, custom branding, all 10 templates, and full backup & restore.
